

# Media Report for “And then there was light”

Name: \_\_\_\_\_

This topic is not one that you “get” in the regular sense, it is very counter intuitive and should make your brain do flip flops. If you don’t think Einstein’s idea are mind boggling then you did not get it.

If you think you don’t get it you do, if you think you get it you don’t

List facts from the article in point form (five minimum)

/4

Write a summary of the article in one or two sentences.
